Chapman Spring Fundraising Campaign is ON!

It's hard to believe the school year is halfway over! Spring Break is just around the corner and it's already time to start thinking about summer camps and fall registration. That also means it's time to start thinking about raising funds for the 2017-18 school year.

The Chapman Educational Foundation is dedicated to raising the money that pays for educational assistants, enrichment programs, Reading Results, school supplies and staffing that the public school system does not provide for free.

In order to reach our goal for the coming school year **we need to raise \$67,000** during our Spring Fundraising Campaign. This may seem a like a lot of money (and it is!), but if we all pull together we can meet our goal! *Consider this...*

Total Chapman/Ramona Enrollment = 580 Students >> GOAL = \$67,000

Per student, one-time contribution = \$115

Per student, monthly contribution = only \$29/mo.

Please consider making a [one-time contribution](#) of \$115 online or by check, or sign-up for a [monthly contribution](#) of just \$29!

Last year we were able to meet our goal by the end of the school year, which meant we were able to start off *this* school year with enough money to have the wonderful educational assistants who have worked so hard with our children this year. We were also able to SAVE a teacher who would've been cut due to PPS budgets. All of this translates to smaller class sizes, more individualized help in the classroom for your kids and a more enriching learning experience!

Please help us reach our goal today!
